N.C.

The sanction accorded in the G.Os, cited, to the retention of the Civil Supplies staff in the Bellary district expires on 31.3.1950. In his letter cited, the Collector of Bellary has reported that there is need for the continuance of Intensive Procurement and Rural Rationing in the Bellary district, that the reimposition of control over certain commodities has increased the work all round and that to have effective drive for procurement the retention of the entire staff for a period of one year from 1.4.50 is necessary. He has also reported that consequent on the seperation of Judiciary from the Executive the Revenue Divisional Officer at Adoni was abolished with effect from 1.1.1950 and that the posts of the two lower division clerks attached to this Divisional Office were also abolished with effect from 1.1.1950. He has further stated that the work in the other two divisional offices at Bellary and Hospet has increased and that the two ~~divisional offices at Bell~~ lower division clerks working in each of these two offices are not able to cope with the work. He has therefore requested that the posts of the two lower division clerks sanctioned for the Adoni Divisional Office may be attached to the Divisional Offices at Bellary and Hospet at the rate of one each to cope with the work.

2. The Board after careful examination considers that there is no justification to increase the staff in the Revenue Divisional Officer's offices at Bellary and Hospet as suggested by the Collector and that the existing two lower division clerks in each of these two offices are sufficient. It considers that in view of the need for the continuance of Intensive Procurement and Rural Rationing in the Bellary district, the retention of the entire staff in the district except two lower division clerks sanctioned for the Revenue Divisional ~~Officer's~~ Adoni Officer's office, Adoni is necessary and it accordingly requests the Government to sanction the retention of the staff mentioned in the annexure from 1.4.50 to 31.3.51 or till the need ceases whichever is earlier for Civil Supplies work in the Bellary district.
